

Why other dentists refer complex treatment plans to Dr. Torres-Melendez

Dr. Torres-Melendez is certified by the American Board of Prosthodontics and has advanced training and experience in all facets of implant and restorative dentistry. Current and extensive knowledge of advanced technology, materials and procedures, empower Dr. Torres-Melendez to manage and treat complex oral health issues.

Dr. Torres-Melendez has maintained a specialty practice in Prosthodontics since 1986. Board certification means that she has successfully completed a four-part examination and must re-certify every eight years to stay current in practices that pertain to the specialty.

A comprehensive examination, radiographic survey, diagnostic models, Facebow transfer, occlusal registration and digital photographs are all part of the initial consultation appointment.
